<i>Installation/ Facility</i>	<i>Project Name/Location</i>	<i>Our Client</i>	<i>Project Year(s)</i>	<i>Our Scope of Work</i>	<i>Managing Office</i>	<i>Our Revenue</i>
Air Force Production Flight Test Installation (Plant 42)	Runway 22-04 Repair	Granite Construction Company	1999-2000	Geotechnical/materials laboratory testing	Palmdale	\$24,100
Air Force Production Flight Test Installation (Plant 42)	Various areas	CH2M Hill, Inc.	2005	Geotechnical/materials laboratory testing	Palmdale	\$1,200
Army National Guard	New Readiness Center, Lancaster	MJ Avila Company	2006-2007	Compaction and materials testing	Palmdale	\$10,600
Camp Roberts	California Army National Guard, Consolidated Arms Collective Training Facility	The Benham Companies, LLC	2009	Soils engineering investigation	San Luis Obispo	\$37,000
Camp Roberts	Building 932 Haydraulic Lift Removals	American Integrated Services, Inc.	2008	Compaction testing of excavation backfill	San Luis Obispo	\$1,500
Camp Roberts	Industrial Avenue Sewer Repair	American Integrated Services, Inc.	2009	Compaction testing of trench backfill	San Luis Obispo	\$1,500
Camp Roberts	KA-Stars Antenna	ITT Systems Division, CIS	2006-2007	Soils engineering investigation	San Luis Obispo	\$11,400
Camp Roberts	Four Corners Site, Field Latrines	EAI International	2001-2002	Compaction testing; materials testing and inspection	San Luis Obispo	\$7,300
Camp Roberts	APS Igloos	Newland Entities, Inc.	2006	Sample and test concrete, slump, temperature and cylinders; compaction testing	San Luis Obispo	\$7,300
Camp Roberts	EHF Antennas	Nick E. Pokrajac, Inc.	2004-2005	Soils engineering investigation	San Luis Obispo	\$6,600
Camp Roberts	Teleport, 16 Meter Antennas	Nick E. Pokrajac, Inc.	2002-2004	Soils engineering investigations; grading certification, foundation excavation observation	San Luis Obispo	\$21,200
Camp Roberts	ITT Antenna	ITT Industries	2004	Soils engineering investigation	San Luis Obispo	\$5,300
Camp Roberts	East Garrison Site, Field Latrines	EAI International	2001-2002	Compaction testing; materials testing and inspection	San Luis Obispo	\$4,800
Camp Roberts	Building 932 Excavation	American Integrated Services, Inc.	2008	Compaction testing; materials testing and inspection	San Luis Obispo	\$1,700
Camp San Luis Obispo	San Benito Culvert Repairs and Roadwork	Romero General Construction	2008	Compaction testing; concrete and AC testing	San Luis Obispo	\$5,000

Installation/ Facility	Project Name/Location	Our Client	Project Year(s)	Our Scope of Work	Managing Office	Our Revenue
Camp San Luis Obispo	Consolidated Dining Facility	Sundt Construction, Inc.	2006-2007	Borrow pit soil sampling and lab testing; compaction testing, asphalt inspection, materials special inspection	San Luis Obispo	\$49,000
Camp San Luis Obispo	Warehouse Loading Docks	J.I. Garcia Construction	2003	Compaction testing; concrete sampling; materials testing and inspection	San Luis Obispo	\$3,800
Camp San Luis Obispo	Ammo Breakdown	J.I. Garcia Construction	2002	Compaction testing; concrete sampling; materials testing and inspection	San Luis Obispo	\$1,000
China Lake Naval Air Weapons Center	Apron Reconstruction	T. Simons Company, Inc.	2008	Compaction and materials testing	Palmdale	\$7,000
China Lake Naval Air Weapons Center	Building 20210	T. Simons Company, Inc.	2008-2009	Compaction testing	Palmdale	\$5,000
China Lake Naval Air Weapons Center	Restroom Repair	Onsite Construction and Engineering Inc.	2007	Compaction and materials testing	Palmdale	\$2,500
China Lake Naval Air Weapons Center	Aggregate Quarry Testing	Naval Construction Training Center	2000	Geotechnical/materials laboratory testing	Palmdale	\$1,600
China Lake Naval Air Weapons Center	Blast Wall Removal	T. Simons Company, Inc.	2005	Compaction and materials testing	Palmdale	\$1,000
China Lake Naval Air Weapons Center	Supersonic Naval Ordnance Research Track, Target Block	Systems Application and Technologies	2001-2008	Materials testing	Palmdale	\$80,800
China Lake Naval Air Weapons Center	Supersonic Naval Ordnance Research Track, Target Block and Foundations	Naval Air Warfare Center	1999-2008	Concrete coring; materials laboratory testing; compaction testing	Palmdale	\$17,900
China Lake Naval Air Weapons Center	Supersonic Naval Ordnance Research Track, Target Block	Rytheon Missile Systems Group	2001-2008	Concrete coring and compression testing	Palmdale	\$3,500
China Lake Naval Air Weapons Center	Runway 26 - Concrete Repair	T. Simons Company, Inc.	2006	Concrete sampling; materials laboratory testing	Palmdale	\$4,600
Edwards Air Force Base	Main Runway Replacement	Eco & Associates	2007-2008	Quality assurance; field and materials laboratory testing	Los Angeles	\$141,900
Edwards Air Force Base	Marine Corps Reserve Center	Allen Engineering Contractor, Inc.	2006-2007	Grading observation and testing; compaction testing; materials testing	Palmdale	\$16,300
Edwards Air Force Base	Hangar B1810	Vanguard Construction Management	2006	Geotechnical engineering services	Los Angeles	\$9,800

Installation/ Facility	Project Name/Location	Our Client	Project Year(s)	Our Scope of Work	Managing Office	Our Revenue
Edwards Air Force Base	Stormwater infiltration percolation area	Vanguard Construction Management	2006	Geotechnical engineering services	Los Angeles	\$5,000
Edwards Air Force Base	Fuel System	Cape Fuel Systems Group	2007	Soils engineering investigation	Palmdale	\$3,800
Edwards Air Force Base	Antenna Tower Bldg 1030	Air Force Flight Test Center	2007-2008	Soils engineering investigation	Palmdale	\$3,800
Edwards Air Force Base	Antenna Tower Bldg 1030	Tact Construction, Inc.	2009	Compaction and materials testing	Palmdale	\$3,000
Edwards Air Force Base	Bunker repair	Vanguard Construction Management	2006	Geotechnical engineering services	Los Angeles	\$3,000
Edwards Air Force Base	Building 4802	Vanguard Construction Management	2007	Testing and inspection	Los Angeles	\$2,400
Edwards Air Force Base	Site 25 Groundwater extraction and treatment system	Earth Tech	2001	Geotechnical/materials laboratory testing	Palmdale	\$2,200
Edwards Air Force Base	Research Laboratory, Unit 8, Groundwater extraction and treatment system	Earth Tech	2002	Geotechnical/materials laboratory testing	Palmdale	\$2,500
Edwards Air Force Base	South Base	Q.C. Consultants	2000	Drilling services	Palmdale	\$1,500
Edwards Air Force Base	Site 13 Landfill	Earth Tech	2001	Geotechnical/materials laboratory testing	Palmdale	\$1,000
Edwards Air Force Base	Digital Airport Surveillance Radar	David E. Ross Construction Company	2004-2005	Grading observation and testing	Palmdale	\$16,200
Federal Aviation Administration	California City Facility	AHTNA Government Services Corporation	2008	Concrete sampling and testing	Palmdale	\$1,500
Federal Aviation Administration	Mod 4 Modification Project	FAA ARTCC	2009-ongoing	Shop and field welding inspection	Palmdale	\$20,000
Federal Aviation Administration	Air Route Traffic Control Center Facility	FAA ARTCC	2005-2008	Non-destructive testing, rebar location	Palmdale	\$4,000
Fort Hunter Liggett, Combat Support Training Center	Combat Pistol Range	TAPkon, Inc.	2007-2008	Compaction testing; masonry testing and inspection; concrete testing	San Luis Obispo	\$5,000
Fort Hunter Liggett, Combat Support Training Center	Modified Record Firing Range	Cooper Chase Construction	2009-ongoing	Compaction testing; masonry inspection and testing; concrete testing	San Luis Obispo	\$20,000 estimate
Fort MacArthur Los Angeles Air Force Base	Old Fort Road	Charles T. Bryant and Associates, Inc.	2002	Geotechnical engineering services	Palmdale	\$8,900

Installation/ Facility	Project Name/Location	Our Client	Project Year(s)	Our Scope of Work	Managing Office	Our Revenue
Lockheed Martin Missiles and Space Systems	Bldg 156 Vaporizer Yard	Gordon Prill	2008	Geotechnical feasibility study	Milpitas	\$6,300
Lompoc Federal Correctional Complex	Special Housing Unit	CNI/Flintco	2004-2006	Soils engineering investigation, grading certification, compaction testing, foundation excavation observation, special inspection of construction materials	San Luis Obispo	\$58,200
Lompoc Federal Correctional Complex	Warehouse B&F	United States Penitentiary - Lompoc	2006	Soils engineering investigation, grading certification, compaction testing, foundation excavation observation, special inspection of construction materials	San Luis Obispo	\$4,600
Lompoc Federal Correctional Complex	Wood Dump Site	Arcadis	2004	Compaction testing; materials testing and inspection	San Luis Obispo	\$2,800
Lompoc Federal Correctional Complex	3901 Klein Boulevard	Cal, Inc.	2003-2004	Compaction testing; materials testing and inspection	San Luis Obispo	\$3,100
Lompoc Federal Correctional Complex	Sewer Line Installation	Cal, Inc.	2002-2003	Compaction testing; materials testing and inspection	San Luis Obispo	\$1,500
Marine Corps Air Ground Combat Center, Twentynine Palms	Solar Electric Project	Amoco Technology Company	2002	Geotechnical engineering investigation, supplemental drilling and evaluation	Bermuda Dunes	\$24,500
Marine Corps Air Ground Combat Center, Twentynine Palms	Building 1027	Alvarez Construction	2001-2006	Compaction testing; materials testing and inspection	Bermuda Dunes	\$6,600
Marine Corps Air Ground Combat Center, Twentynine Palms	Camp Wilson, Building 5400	Alvarez Construction	2000-2001	Compaction testing; materials testing and inspection	Bermuda Dunes	\$6,000
Marine Corps Air Ground Combat Center, Twentynine Palms	Simulated Housing	James Uhl Construction	2008	Geotechnical engineering services	Bermuda Dunes	\$2,500
Marine Corps Air Ground Combat Center, Twentynine Palms	SAVT	Pendergrass Trenching	2008	Compaction testing; materials laboratory testing	Bermuda Dunes	\$1,700
Marine Corps Air Ground Combat Center, Twentynine Palms	Building 1102	Alvarez Construction	2001	Concrete coring, materials and soils testing	Bermuda Dunes	\$1,000
Marine Corps Air Ground Combat Center, Twentynine Palms	Sturgis and Adobe Roads and Del Valle	Alvarez Construction	2000-2001	Compaction testing; concrete compression tests	Bermuda Dunes	\$10,400
Marine Corps Air Ground Combat Center, Twentynine Palms	Urban Training Center	International Towers	2008	Quality control testing; concrete sampling and testing; materials laboratory testing	Bermuda Dunes	\$12,500

Installation/ Facility	Project Name/Location	Our Client	Project Year(s)	Our Scope of Work	Managing Office	Our Revenue
Marine Corps Air Station Miramar	Fire Station Building 7224	Charles T. Bryant and Associates, Inc.	2001	Environmental monitoring	Palmdale	\$1,500
Marine Corps Logistics Base Barstow	1.5 MW Wind Turbine	Patrick and Henderson, Inc.	2008-present	Foundation analysis	Bermuda Dunes	\$1,500
Marine Corps Logistics Base Barstow	1.5 MW Wind Turbine	Renewable Systems Technology	2008-present	Geotechnical engineering investigation; electrical resistivity survey	Bermuda Dunes	\$8,500
Marine Corps Logistics Base Barstow	1.5 MW Wind Turbine	Brownco Construction Company, Inc.	2008-present	Grading observation and testing	Palmdale	\$24,000
Marine Corps Logistics Base Barstow	Seismic Retrofit to Warehouse	Halbert Construction Company, Inc.	2004	Environmental assessment and characterization	Rancho Cucamonga	\$2,300
Naval Air Station North Island, Naval Base Coronado	Navy Clean II Project, soil stabilization	Bechtel National, Inc.	2000-2001	Geotechnical/materials laboratory testing	Bermuda Dunes	\$30,300
Naval Facility San Nicolas Island	Runway Repairs	DBS Engineering, Inc.	2007	Geotechnical engineering consultation	Ventura	\$4,300
Naval Facility San Nicolas Island	Cargo Storage Building	DBS Engineering, Inc.	2008-2009	Soils engineering investigation	Ventura	\$7,300
Naval Facility San Nicolas Island	ILS Tower	DBS Engineering, Inc.	2008	Soils engineering investigation; soil erosion study	Ventura	\$18,300
Naval Facility San Nicolas Island	Roadways	DBS Engineering, Inc.	2008	Pavement study	Ventura	\$18,700
Naval Facility San Nicolas Island	Bowling Alley	DBS Engineering, Inc.	2007	Geotechnical engineering investigation	Ventura	\$3,700
Naval Facility San Nicolas Island	Mobile Launch Facility	Ventura Naval Base	2003	Geotechnical engineering investigation	Ventura	\$20,600
Naval Postgraduate School, Monterey	9th and 10th streets	Leon Construction, Inc.	2003-2004	Compaction testing	Hollister	\$14,500
Naval Station Everett, Washington	Large Vehicle Inspection Station	Northcon, Inc.	2007-2008	Geotechnical engineering investigation; environmental testing of soil samples	Idaho	\$14,000
Pillar Point Air Force Station	CT4 Antenna	Diani Building Corporation	2009	Compaction testing	Milpitas	\$4,000
Pillar Point Air Force Station	Seismic Retrofit	Diani Building Corporation	2008-2009	Concrete special inspection	Milpitas	\$1,600
Point Mugu Naval Air Weapons Station	Conversion of Landfill	TN and Associates, Inc.	2008	Compaction testing	Ventura	\$2,400
Point Mugu Naval Air Weapons Station	Mobile Launch Facility	Ventura Naval Base	2002	Geotechnical engineering investigation	Ventura	\$2,400

Installation/ Facility	Project Name/Location	Our Client	Project Year(s)	Our Scope of Work	Managing Office	Our Revenue
Point Mugu Naval Air Weapons Station	Fill testing of building pad	United States Navy	2001	Compaction testing	Ventura	\$1,700
Point Mugu Naval Air Weapons Station	Field Study	Barnhart, Inc.	2004	Soil sampling and compaction testing	Ventura	\$1,300
Point Mugu Naval Air Weapons Station	Fill testing of building pad	United States Navy	2000	Grading observation and testing	Ventura	\$3,200
Point Mugu Naval Air Weapons Station	Laguna Peak VUS Tower	BRPH Companies	2004	Geotechnical engineering investigation	Ventura	\$4,000
Port Hueneme Division Naval Surface Warfare Center	Dog Kennel	DBS Engineering, Inc.	2009	Preliminary geotechnical engineering report	Ventura	\$5,500
Port Hueneme Division Naval Surface Warfare Center	Exchange Expansion	TB Penick & Sons, Inc.	2007-2008	Liquefaction study; materials testing and inspection	Ventura	\$22,500
Port Hueneme Division Naval Surface Warfare Center	LTM P7, 23rd Street	DBS Engineering, Inc.	1999-2004	Compaction testing	Ventura	\$10,000
Port Hueneme Division Naval Surface Warfare Center	Site 796-04 and 09	TN and Associates, Inc.	2004	Compaction testing	Ventura	\$2,500
Port Hueneme Division Naval Surface Warfare Center	Naval Surface Weapons Center	Soltek General Contractor	2001-2003	Geotechnical engineering investigation	Ventura	\$9,600
Travis Air Force Base	High Bay Storage Facility	Tetra Tech, Inc.	2005	Soils engineering investigation	Milpitas	\$20,500
Travis Air Force Base	Ragsdale & Ellis Streets reconstruction	Tetra Tech, Inc.	2006-2007	Soils engineering investigation and pavement design	Milpitas	\$18,000
Travis Air Force Base	Composite Shop	Tetra Tech, Inc.	2006	Geotechnical engineering consultation	Milpitas	\$1,200
U.S. Department of Homeland Security, Port of Entry-Calexico West	Sink Hole Repair	Hernandez Construction Corporation	2005-2006	Compaction testing; materials testing and inspection	Bermuda Dunes	\$5,400
U.S. Department of Interior, Bureau of Land Management	Dos Palmas Preserve	USDA Forest Service	2002	Percolation testing; materials laboratory testing	Bermuda Dunes	\$5,100
Vandenberg Air Force Base	South Gate Improvements	Penfield & Smith	2008	Soils engineering investigation	Santa Maria	\$7,800
Vandenberg Air Force Base	Solvang Gate Improvements	Penfield & Smith	2008	Soils engineering investigation	Santa Maria	\$8,200
Vandenberg Air Force Base	Coast Gate Improvements	Penfield & Smith	2008	Soils engineering investigation	Santa Maria	\$4,900
Vandenberg Air Force Base	SLC-6, Modifications	Clark Construction Group, Inc.	2001-2004	Welding inspection; materials testing and inspection	Santa Maria	\$523,000
Vandenberg Air Force Base	SLC-6, Modifications	Boeing Company	2001	Materials testing and inspection	Santa Maria	\$4,200
Vandenberg Air Force Base	Horizontal integration facility	Diani Building Corporation	2001-2002	Bolt inspection; materials testing and inspection	Santa Maria	\$5,200

Installation/ Facility	Project Name/Location	Our Client	Project Year(s)	Our Scope of Work	Managing Office	Our Revenue
Vandenberg Air Force Base	IPF Building, SLC-6	Diani Building Corporation	2003	Nondestructive testing (DR-meter)	Santa Maria	\$1,000
Vandenberg Air Force Base	Tower 60 Replacement	Select Engineering Services	2003	Soils engineering investigation	Santa Maria	\$2,700
Vandenberg Air Force Base	Western Range VUS Antenna Sites	BRPH Companies, Inc.	2004-2006	Soils engineering investigation	Santa Maria	\$8,300
Vandenberg Air Force Base	Western Range VUS Antenna Sites	Diani Building Corporation	2006-2008	Grading certification; foundation excavation observation; materials special inspection	Santa Maria	\$6,400
Vandenberg Air Force Base	SLC-3 East Atlas Modification	Hensel Phelps Construction Company	2003-2004	Soils engineering investigation; compaction testing; foundation excavation observation; concrete, welding, and bolt special inspection; materials laboratory testing	Santa Maria	\$127,000
Vandenberg Air Force Base	Launch Facilities 02, 03, 23	Houston Contracting Company	2003-2004	Welding inspection; materials testing and inspection	Santa Maria	\$48,500
Vandenberg Air Force Base	Launch Facility 24	Diani Building Corporation	2007-2008	Compaction testing; materials testing and inspection	Santa Maria	\$44,000
Vandenberg Air Force Base	Brown Road Reconstruction	FPL and Associates, Inc.	2002-2007	Soils engineering investigation	Santa Maria	\$37,100
Vandenberg Air Force Base	Brown Road Reconstruction	Granite Construction Company	2003	Compaction testing; materials testing and inspection	Santa Maria	\$4,800
Vandenberg Air Force Base	IDT and IDO Facilities	Black & Veatch Special Projects Corporation	2003-2007	Soils engineering investigation; geotechnical consultation; percolation testing	Santa Maria	\$37,000
Vandenberg Air Force Base	Launch Facility 23	Diani Building Corporation	2002-2008	Compaction testing; materials testing and inspection	Santa Maria	\$12,900
Vandenberg Air Force Base	SLC 6 Payload Process Facility	Diani Building Corporation	2006-2008	Soils engineering investigation and engineering consultation; compaction testing; welding inspection; materials special inspection; welder certifications	Santa Maria	\$13,800
Vandenberg Air Force Base	SLC-3 East Water Tank, Vessel	Nishkian Dean, Inc.	2005	Soils engineering investigation and geotechnical engineering consultation	Santa Maria	\$8,300

<i>Installation/ Facility</i>	<i>Project Name/Location</i>	<i>Our Client</i>	<i>Project Year(s)</i>	<i>Our Scope of Work</i>	<i>Managing Office</i>	<i>Our Revenue</i>
Vandenberg Air Force Base	SLC-3 East Atlas Modifications	Hensel Phelps Construction Company	2003-2007	Engineering consultation; compaction testing; foundation excavation observation; concrete, welding and bolt special inspection; materials laboratory testing	Santa Maria	\$12,700
Vandenberg Air Force Base	Oak Mountain VUS Antenna Site 1	Diani Building Corporation	2006-2009	Soils engineering investigation; grading certification, foundation excavation observation	Santa Maria	\$18,400
Vandenberg Air Force Base	Oak Mountain VUS Antenna Site 2	Diani Building Corporation	2009	Soils engineering investigation	Santa Maria	\$6,500
Vandenberg Air Force Base	SET 4 Antenna Site, Bishop Road	Diani Building Corporation	2006-2009	Soils engineering investigation; grading certification, foundation excavation observation	Santa Maria	\$12,600
Vandenberg Air Force Base	Fitness Center	RMA Land Construction	2008	Grading certification; foundation excavation observation; materials special inspection	Santa Maria	\$63,000
Vandenberg Air Force Base	Missile Support Foundation, Building 1900	FPL and Associates	2002	Soils engineering investigation	Santa Maria	\$2,500
Vandenberg Air Force Base	Satellite Control Facility	Eco & Associates, Inc.	2008	Compaction testing; materials testing and inspection	Santa Maria	\$1,700
Vandenberg Air Force Base	Building 8401, Phase 2	Innovative Technology Solutions, Inc.	2008	Concrete special inspection	Santa Maria	\$1,500
Vandenberg Air Force Base	Boat House	Diani Building Corporation	2001-2002	Compaction testing; materials testing and inspection	Santa Maria	\$1,500
Vandenberg Air Force Base	Site 9	Shaw Environmental and Infrastructure, Inc.	2002	Compaction testing; materials testing and inspection	Santa Maria	\$1,000
Vandenberg Air Force Base	Buildings 13607, 11001, 11002	Cornerstone Environmental Contractors, Inc.	2005	Compaction testing; materials testing and inspection	Santa Maria	\$1,000

<i>Installation/ Facility</i>	<i>Project Name/Location</i>	<i>Our Client</i>	<i>Project Year(s)</i>	<i>Our Scope of Work</i>	<i>Managing Office</i>	<i>Our Revenue</i>
Vandenberg Air Force Base	Access Control Building	GPRA Planners/ Architects/ Engineers/ Interiors	2004-2005	Soil engineering investigation; geotechnical engineering report; certification of grading operations; foundation excavation observations; and special inspection of concrete, masonry, and welding	Santa Maria	\$22,000
Vandenberg Air Force Base	Ductile Iron Waterline Installation	Penfield & Smith	2007	Soils engineering investigation	Santa Maria	\$12,000
Vandenberg Air Force Base	Wind Turbine Installation	BBWI	2006	Geotechnical engineering services	Santa Maria	\$10,000
Vandenberg Air Force Base	Sanitary Landfill Planned Final Configuration	Tetra Tech, Inc.	2004	Geotechnical engineering investigation; slope stability analysis	Santa Maria	\$36,000
Vandenberg Air Force Base	Tank 707	Cannon Associates	1999	Soils engineering investigation	San Luis Obispo	\$3,700
